Health Declaration

I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF MY CHILD IS IN GOOD PHYSICAL HEALTH AND IS CAPABLE OF PARTICIPATING IN CAMP ACTIVITIES, INCLUDING SWIMMING, FIELD TRIPS AND OTHER VIGOROUS PHYSICAL ACTIVITY. I HEREBY AUTHORIZE MY CHILD TO PARTICIPATE IN SUCH ACTIVITIES.

Illness, Accident, or Leaving Camp: In the event of serious illness or injury I authorize emergency medical care for my child. I wish my child to be taken to the nearest Emergency Medical Facility, and the doctor listed below to be notified.

The Senior Staff in the **Arab Cultural Camp** are authorized to dispense prescription medication to students or campers only if the procedures set forth in this policy are followed and the accompanying Medication Release form is completed in full and filed with the Executive Director.

The parent or guardian of the child must provide the appropriate Senior Staff member with a protocol (substantially in the form of the Prescriber Authorization section of the Medication Release) signed by the physician who has prescribed the medication that (1) describes the dosage to be dispensed; (2) the number of times during the day that the medication should be dispensed to the child; and (3) the times of day that the medication should be dispensed. If the medication must be given at precise times or intervals, the protocol should so state.

The parent or guardian must also provide the appropriate Senior Staff with a written request (as set forth in the accompanying Medication Release) authorizing the staff to store and hand the medication to the child and acknowledging that the child is responsible for self-administering the medication and familiar with the manner and mode for doing so. The authorization request must also provide contact phone numbers if we must contact the parent or guardian in an emergency or if the child refuses to take the medication.

All medications must be provided to Camp in their original container and must be clearly labeled with the child's name and the original prescription attached. Without the foregoing information, Camp staff cannot take responsibility for dispensing any medication to students.

Camp will store all medications in a safe and secure location and will dispense the

medications in a Camp office, rather than in a classroom. Medications for Camp campers will be held by the Program Directors so that they can be dispensed during field trips and overnights in accordance with the information provided on the Medication Release form. Camp will dispense the medication in compliance with the instructions provided. **CAMP WILL NOT ADMINISTER THE MEDICATIONS TO THE CHILD, EVEN IF REQUESTED TO DO SO BY A PARENT OR GUARDIAN.**

If the child is uncooperative, Camp will inform the parents immediately. However, Camp reserves the right to refuse to dispense or to continue to dispense medication to any child if the child is repeatedly uncooperative, if Camp is unable to contact the child's parent or guardian or if compliance with the process otherwise becomes disruptive or overly burdensome to Camp. Camp staff will maintain a separate file for each child to whom medications are being dispensed, which file will be stored in a safe and secure location. Access to the file will be limited to Senior Staff (or their designees) responsible for dispensing the medication and the Executive Director. The file shall contain the written protocol and parent authorization form. In addition, Senior Staff responsible for dispensing the medication will keep and maintain in the file, a contemporaneous record indicating each dosage of medication dispensed and the date and time the medication was dispensed.
